“The Best of Arizona Business 2009” Recognizes 1st United Door Technologies
Arizona’s largest business opinion poll gives company high ranking

Tempe, AZ, May 18, 2009 – For the third straight year, 1st United Door Technologies has been named to Ranking Arizona’s “**The Best of Arizona Business**” for 2009. This year the company was ranked number two among Manufacturing Companies (Non-electronic) in the state of Arizona. This is the outcome of the largest business opinion poll in Arizona and identifies different business and leisure categories based on quality of product, service, and customer satisfaction.

Arizona Business Magazine publishes the ranking yearly, with polling from the previous year. “We are again honored by Arizona Business Magazine and those who participated in the poll, for recognizing us as one of the top manufacturing companies in Arizona,” said Earl Rivard, Vice President of Marketing. “This recognition demonstrates our reputation in the business community and among our dealer network and customers.”

1st United Door Technologies is one of the fastest growing garage door companies in the Southwest with recent expansion in Southern California. The company offers a wide range product line of residential and commercial garage doors.
