

FOR IMMEDIATE RELEASE

1st United Door Technologies Announces New Distribution Center Opening

Garage door manufacturer expands its presence with distribution center in Salt Lake City, Utah

1st United Door Technologies (FUDT) will open a new distribution center (DC), in Salt Lake City, Utah on June 21st. This is the fifth regional distribution center to be opened in the Western U.S. The new facility will distribute residential and commercial sectional garage doors, operators and hardware, greatly improving product availability and expediting delivery times for garage door dealers in Utah.

Located at 1160 South Pioneer Road, Suite 3, Salt Lake City, Utah 84101, the company saw that the potential of expanding their exposure of garage door products to a growing market.

An open house event will be held at a later date to introduce garage door dealers to FUDT products, services and support programs. It will also be an opportunity to meet FUDT staff and representatives from various garage door industry vendors.

First United Door Technologies, founded in 2000, owns and operates its corporate office and manufacturing facility in Tempe, Arizona and operates other Southern California distribution centers in Rancho Cucamonga, Chatsworth and Orange County and San Diego.
