

LiftMaster®

Smart Control Panel® (880LM)/Motion Detecting Panel with Timer-To-Close (881LM)

880LM

The LiftMaster® Motion-Detecting Control Panel with Timer-to-Close (881LM)

Compatible only with Security+2.0 garage door openers and accessories enabled by MyQ™ Technology

- Elite Series™ Belt Drive Unit (8550)
- Premium Series Chain Drive Unit (8360)

- Activates the garage lights as soon as motion is detected, eliminating fumbling in the dark for keys or light switches.
- Equipped with Timer-to-Close control features to easily program pre-determined number of minutes for door to close.
- Additional features include motion-activated light control, adjustable light timer and lock feature for added security.

Available to dealers: August 2011
